

About us

The National Ranger Association, Inc. was formed in 1998 and is governed by a board of six. The Association was established to recognize distinguished members in the Ranger community and to promote the values established in the Ranger Creed. The National Ranger Association helps to raise funds to support The Best Ranger Competition, The Ranger Hall of Fame and the Distinguished Member of the Brigade.

The competition has evolved over the past twenty five years from one that was originally created to salute the best two-man "buddy" team in the Ranger Department at Fort Benning. Every year the competition is reviewed and tweaked to determine the best two-man team from the entire United States Armed Forces. The Best Ranger Competition is held on Fort Benning and is open to the public.

Join the Ranger family and help the National Ranger Association support our modern heroes , those who have already served and preserve the Ranger legacy.

The Purpose of the National Ranger Association is to bring together people with a common interest in supporting Ranger activities, to gain support within the civilian and military communities, to promote the values established in the Ranger Creed, to erect or maintain public Ranger monuments or works, pay honor to Rangers who have distinguished themselves, to provide an institution for managing funds, to provide financial support for the Best Ranger Competition and The Ranger Hall of Fame, and to provide opportunities for the civilian and military communities to purchase mementos and souvenirs.

“Our continued growth could not be possible without corporate and public support. Not only do our supporters and friends make a financial impact, but many have ideas that are incorporated into future planning as well.”
